

TRUMBULL COUNTY BOARD OF DEVELOPMENTAL DISABILITIES

Policy

Section 8.11

QUALITY ASSURANCE

The Trumbull County Board of Developmental Disabilities implementation of Quality Assurance reviews shall follow the central objective of Supported Living to provide the supports pursuant to O.R.C. 5126.41 that enhances the individual's reputation in his community, empowers the person and advances the quality of life.

The Leadership shall establish Quality Assurance procedures to survey the provision of Supported Living and Home and Community Based Waiver services in Trumbull County. The Quality Assurance process will be monitored by a Service and Support Administration who has the single duty of Quality Assurance Manager in accordance with the Ohio Department of Developmental Disabilities Administrative Rule 5123:2-12-01 of the Administrative Code dated July 24, 1995 entitled "Supported Living Quality Assurance Rule". All rights of individuals served that are identified in Section 5123.62 of the Ohio Revised Code will be protected.
