

Our History

The Fairhaven Foundation is a 501(c) 3 foundation that was established in 1997. Created by bequest from Pauline Anders. Anders wanted to help children and adults with developmental disabilities that were attending the Fairhaven School and Workshops.

Mission

The Fairhaven Foundation transforms the lives of those eligible for services through the Trumbull County Board of Developmental Disabilities. We enhance the quality of life of eligible individuals by intentionally engaging them in impactful programming, and supporting meaningful outcomes.

Foundation Grants

1 EMERGENCY/QUALITY OF LIFE FUND

We all face emergency situations in our lifetime, some more devastating than others. The Emergency/Quality of Life Fund Grant helps individuals when they need it most. Up to \$300 in grant money can be awarded per each request.

2 GROCERY FUND

Vouchers for \$40 Save a Lot grocery cards are sent out monthly. Nearly 40 cards are provided each month, providing more-than \$17,000 of annual impact to our community. This fund was created due to cutbacks by Federal and State governmental agencies.

3 CAMP FUND

Up to \$200 per request for a summer program or camp to provide personal enrichment.

4 MINI GRANT

Up to \$100 per request. Requests have included purchasing seat harnesses, specialty clothing, or other immediate needs.

The Foundation is always seeking additional funding opportunities!

Executive Director Ryan McNaughton aggressively pursues additional local, state, and national grant dollars to increase programming and impact. Examples at the Fairhaven School include the Fairhaven Bulldog Backpack Program which seeks to reduce childhood hunger, and the Parent Lending Program which will foster language and social-emotional development, while encouraging the power of reading at home. Other grants have benefited our Community Employment, and Grocery Card programs.

If you or your organization would like to learn more about becoming a Title Sponsor for one of our events., please contact Mr. McNaughton at 330-652-9800, ext. 223
