

TRUMBULL COUNTY BOARD OF DEVELOPMENTAL DISABILITIES

Policy

Section 8.5

ACADEMIC FREEDOM

In keeping with the best traditions of education and training the board, the administration and employees agree that instructors should have the right to teach without interference, harassment, pressure, or intimidation from persons or sources outside the educational community. It is mutually recognized that employees do have a responsibility to present all material to their classes in such a way as to contribute to the overall growth and general developmental of each child/client.
