Section 9.14

EMERGENCY TRANSPORTATION ASSISTANCE

- A. Any County Board of Developmental Disabilities' bus that encounters an emergency situation while traveling within Trumbull County will, upon request, receive emergency assistance promptly. Every effort will be made to provide for the safety and well-being of the passengers and to expedite the repair or temporary replacement of the bus, with the least amount of inconvenience to out-of-county travelers.
- B. The Board believes that the full support and cooperation of each County Board of Developmental Disabilities to maintain a statewide emergency transportation assistance network will greatly enhance the safety and efficiency of these services for mentally retarded and developmentally disabled persons in Ohio.
